The Adaptation Consortium (ADA) led by the Kenya Meteorological Department has been supporting the development of a climate information services strategy for Wajir County. The draft CIS strategy is ready for review and validation by stakeholders before adoption by the county government. The University of Nairobi-ADIS through funding from Mercy Corps BRACED Project is supporting the validation process by organizing a 2-days stakeholders' validation workshop to be held in Wajir from Feb 28<sup>th</sup> -1<sup>st</sup> March 2017. ADIS has also been providing technical expertise for BRACED on climate information services and will therefore also provide technical input/guidance during the validation workshop.

**Expiry Date:** Wed, 2019-02-27 16:09
